### CASE REQUIREMENTS

Case will only be accepted if **ALL REQUIREMENTS** have been met. Please check **ALL** lines below.

- Gross interproximal and facial buildup was removed prior to impressions.
- Doctor has personally inspected and confirmed that impressions are ideal.
- Specific Kör Whitening impression technique (as taught in training manual/DVD) has been used.
- All four of the following products have been used:
  - Kör Impression putty/heavy body
  - Kör Impression wash
  - Kör Polycarbonate impression trays
  - Kör Adhesive
- Impressions must include full registration on all 1st and 2nd molars, including distal surfaces and margins of molars. (Necessary for proper stabilization of the Kör-Seal™ Whitening Trays)
- Do NOT** pour up impressions.

**Lab slips may not be used to order product. To order products, please call 866-763-7753**

### Notes:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Would you like a complimentary evaluation of your impressions?

- Yes, please
- No, thank you

Whitening results are based on the following criteria: All KÖR® impression materials (KÖR putty or Heavy Body impression material, KÖR Impression wash, KÖR Polycarbonate impression trays, KÖR adhesive) and impression technique as taught in the KÖR Impression DVD/KÖR Training Manual are used. All steps detailed in the KÖR Training Manual are followed and none are omitted.

#### **PROMOTIONAL OFFERS/COMPLIMENTARY LAB CASES**

Evolve Dental Technologies, Inc. (Evolve) may, from time to time, offer or provide KÖR Whitening Lab cases free of charge as part of a limited time promotion or at Evolve's discretion. KÖR Whitening Lab prescription forms will be indicated as free of charge by means of a colored sticker. Free KÖR Whitening Lab cases may be subject to a promotional expiration date. KÖR Whitening Lab prescription forms with expired stickers will not be honored. Prescription forms with a complimentary case sticker and expiration date must be received by the KÖR Whitening Lab before the expiration date noted. Complimentary KÖR Whitening Lab cases have no cash or credit value and cannot be redeemed or applied to a Customer account for any other reason than complimentary KÖR-Seal™ Trays or KÖR Desensitizing Trays. Retention and redemption of complimentary case prescription forms is the responsibility of the Customer. Evolve Dental Technologies, Inc. is not responsible for lost, stolen, or otherwise misplaced complimentary lab case prescription forms. Complimentary lab case prescription forms must accompany impressions when they are received by the KÖR Whitening Lab in order to be fabricated at no cost.

***IMPORTANT: This lab slip and our shipping address has changed. Please fill out carefully.***

Complete this prescription form and ensure that all case requirements have been met and checked on Rx. If this is a staff member case, be sure to check the box and complete the staff member section on the front of this form.

***Incomplete prescription form may delay case completion.***

***Evolve highly recommends that you send your case via a trackable carrier of your choice (FedEx, UPS, USPS Priority).***

**Ship your impressions and Rx form to:  
KÖR Whitening Lab, 5 Vanderbilt, Irvine, CA 92618.**

**IMPORTANT NOTE:** Evolve will send you a confirmation email within 48 hours of receiving your impressions at the KÖR Whitening Lab. This confirmation will inform you of your case completion date and how it will be shipped to your office. **We highly recommend that you do not schedule your patient until you receive your confirmation email.**
